

Open Day

Thank you for your interest in our open day!

It is very important that the study programme you choose fits your talents and ambitions. That is why visiting an open day is a great way to find out if a certain study programme and university of applied sciences are right for you. Here you can take in the atmosphere, meet fellow students-to-be and speak to teachers.

Information plaza

All day long there will be an information plaza on the ground floor of the building. Here all of our study programmes have their own stands where they will be glad to provide you with all the information you need and answer any questions you may have. Our student societies also look forward to presenting themselves to you.
